CLARIFICATION REGARDING JOJO BOWS

In relation to wearing Jo Jo Bows, can we please ask that only bows in school colours be worn (Red, black or white).

CLARIFICATION REGARDING DAYTIME SNACKS

With regards to snacks, the school policy refers to children under 7 being provided with fruit. In the same paragraph it states:

Pupils, parents and carers are encouraged to bring healthier options to schools as snacks, in line with those provided in school.

Due to this we ask that only healthy snacks are bought into school, ideally fruit.

Thank you for your assistance in this matter.

WOULD YOU LIKE TO HOST A FINNISH CHILD AT YOUR HOUSE?

Calling All Parents / Carers of year 4, 5 and 6 children

Would your child like to experience a different culture from the comfort of your own home? Or even share our own culture with some new friends on several free trips?

We are delighted to say we have re-established links with our good friends in Finland from Vastersundoms Skola. Over the years, we have visited and hosted many successful exchange visits that have made lifelong positive memories for many Sutton Road children. Sutton Road families have also forged extremely rewarding friendships from these visits that are still active to this day. It is therefore particularly pleasing to be able to offer an exciting opportunity for some families amongst you to host one, or more, Finnish children during their visit.

The three days the Finnish party are with us will involve activities that will allow our children to mix with children from the Finnish school. Both the Finnish parties over the years and all of our Sutton Road families have really enjoyed these exciting activities and we have new ones planned for this year. Not only that, but if you decide to take part in hosting a family, all activities are provided for your children free of charge during the visit. We can also confirm that all of the Finnish party speak very good English (just in case you were panicking!)

If you are interested, please see our website for full details or the letter which has been recently sent home.

DRINKS IN SCHOOL

We have noticed that some children have started bringing in Lucozade and other fizzy drinks or sports drinks to have during the day. Our school policy clearly states that:

We also ensure that all children have access to drinking water at meal times and during the day, every day, and free of charge. Pupils and staff will be encouraged to drink water throughout the day and sport's type bottles are permitted in lessons where there is no safety hazard. No fizzy drinks are permitted during the school day.

Due to this could we please remind you that pupils are only permitted to bring water into school to drink during the daytime.

Thank you for your assistance in this matter.

MAUN VALLEY CONVERSATION

Last week, Jonah Bamford went litter picking at Maun Valley conservation area after reading it on the website. Jonah's mum, Donna Bamford, a governor at our school, took a few photos.

Well done Johah and thank you Donna for sharing this with us!
